

# SECTOR CHAPTERS - OVERVIEW

The following table provides a comprehensive list of the separate sector chapters included in this Informative Inventory Report.

|                                                                                                                      |
|----------------------------------------------------------------------------------------------------------------------|
| <b>NFR 1 - ENERGY</b>                                                                                                |
| <b>1.A - FUEL COMBUSTION ACTIVITIES</b>                                                                              |
| 1.A.1 - Energy Industries                                                                                            |
| 1.A.1.a - Public electricity and heat production                                                                     |
| 1.A.1.b - Petroleum refining                                                                                         |
| 1.A.1.c - Manufacture of solid fuels and other energy industries                                                     |
| 1.A.2 - Fuel Combustion Activities in Industries and Construction                                                    |
| 1.A.2.a - Stationary combustion in manufacturing industries and construction: Iron and Steel                         |
| 1.A.2.b - Stationary combustion in manufacturing industries and construction: Non-ferrous Metals                     |
| 1.A.2.c - Stationary combustion in manufacturing industries and construction: Chemicals                              |
| 1.A.2.d - Stationary combustion in manufacturing industries and construction: Pulp, Paper and Print                  |
| 1.A.2.e - Stationary combustion in manufacturing industries and construction: Food Processing, Beverages and Tobacco |
| 1.A.2.f - Stationary combustion in manufacturing industries and construction: Non-Metallic Minerals                  |
| 1.A.2.g viii - Stationary Combustion in Manufacturing Industries & Construction: Other                               |
| 1.A.2.g vii - Mobile Combustion in Manufacturing Industries & Construction                                           |
| 1.A.3 - Transport                                                                                                    |
| 1.A.3.a - Civil Aviation                                                                                             |
| 1.A.3.a i (i) - International Civil Aviation: LTO                                                                    |
| 1.A.3.a ii (i) - Domestic Civil Aviation: LTO                                                                        |
| 1.A.3.a i (ii) - International Civil Aviation: Cruise                                                                |
| 1.A.3.a ii (ii) - Domestic Civil Aviation: Cruise                                                                    |
| 1.A.3.b - Road Transport                                                                                             |
| 1.A.3.bi-iv - Emissions from Fuel Combustion in Road Vehicles                                                        |
| 1.A.3.b i - Road Transport: Passenger Cars                                                                           |
| 1.A.3.b ii - Road Transport: Light duty vehicles                                                                     |
| 1.A.3.b iii - Road Transport: Heavy duty vehicles                                                                    |
| 1.A.3.b iv - Road Transport: Mopeds & Motorcycles                                                                    |
| 1.A.3.b v - Gasoline Evaporation                                                                                     |
| 1.A.3.b vi-vii - Emissions from Wear and Abrasion in Road Transport                                                  |
| 1.A.3.b vi - Road Transport: Tyre and Brake Wear                                                                     |
| 1.A.3.b vii - Road Transport: Road Abrasion                                                                          |
| 1.A.3.c - Railways                                                                                                   |
| 1.A.3.d - Navigation                                                                                                 |
| 1.A.3.d i - International Maritime Navigation                                                                        |
| 1.A.3.d i (ii) - International Inland Navigation                                                                     |
| 1.A.3.d ii - National Navigation                                                                                     |
| 1.A.3.d ii (a) - National Maritime Navigation                                                                        |
| 1.A.3.d ii (b) - National Inland Navigation                                                                          |
| 1.A.3.e - Other Transport                                                                                            |

**NFR 1 - ENERGY**

1.A.3.e i - Pipeline Transport

1.A.3.e ii - Other Transport: Other

1.A.4 - Small Combustion

1.A.5 - Other (including Military)

1.B - Fugitive Emissions

1.B.1 - Solid Fuels

1.B.2 - Oil and Natural Gas

1.B.3 - Geothermal Energy

**NFR 2 - INDUSTRIAL PROCESSES & PRODUCT USE (IPPU)**
