

## 5.E - Other Waste (please specify in IIR)

Under NFR category **5.E - Other Waste**, Germany so far reports greenhouse gas emissions from the mechanical biological treatment (MBT) of waste as well as air-pollutant emissions from building and car fires.

| NFR-Code                                                                                  | Name of Category                                                                                                          |                                      | Method                                                 |                   | AD               | EF  | Key Category       |    |     |     |     |      |     |     |
